records required by the reference. This review will include all records
maintained by the Office of the Director of Central Intelligence,
including former DCI, DDCI and Executive Director records.

ance with current records control schedules approved by the Archivist
of the United States. This includes: (1) designating records as permanent
or temporary in accordance with the schedules; (2) removing and destroying
duplicate documents, other non-record material, and expired temporary

FOIA/PA or to improper activities as defined under Executive Order 12036.
